Are you a woman looking to bring value to a boardroom?

Women are 50% of the population, yet are only 20% of board members in corporate boardrooms- the most powerful rooms in business, where decisions are made.

ACE Consulting is offering our C-Sweet community a **one – time bonus discount of up to \$1000 off registration** for the next online board certification program!

“

"I can't express how valuable the Women on Board Certification Program was thru Michele Ashby's LLC. I got so much out of the course with additional education, board preparedness, refresher on corporate financial statements, board governance and bylaws, terms and conditions, board compensation and structure, all while teaming on-line with an amazing group of peers. The affiliation between C-Sweet and Michele's LLC Ambassador program made a career goal a reality."
-Beth Hibling

“

"Even as a new member of C-Sweet, I am already so impressed by the quality of the events I have attended and the extraordinary women I have met. I always feel recharged and inspired after an event or panel discussion."

MASTERMIND GROUPS

When women work together, we support our families, communities and pull up those who follow.

As part of C-Sweet, you are a leader. You matter. Your work matters. Your leadership matters. And as a member of C-Sweet we highly encourage you to get to know other members on a deeper level.

Mastermind Groups are peer-based accountability and brainstorming groups designed to help you create the success you want. Peer mentoring helps you solve problems and move forward with advice from other group members.

C-Sweet Mastermind Groups are limited so that everyone gets to participate. Groups can be set up by region or industry vertical. Regular meetings are held on Zoom or in person. C-Sweet membership is required.

The peer network offers two core benefits – a reservoir of talent to bring onboard to your organization and a resource during the job search if you find the only way up the corporate ladder is out of the current employer. Imagine a network of women to call on for job leads, to work with, or to find that right talent and services to grow your empire.

If you would like more information on how you can join a C-Sweet Mastermind group, please contact Sara Stein at sara@csweet.org.
